### PRESIDENT'S REPORT

---

I am extremely pleased to inform you that TYGA FM is a finalist in two award categories at the Annual Community Broadcasting Association of Australia (CBAA) Awards, for Outstanding Small Station and Excellence in IT/Technical Services. I will be representing the station at the CBAA Annual Conference and Awards Dinner 14-17 November and hopefully I can bring back some silverware. Either way I am proud of our little station for making it to the finalist stage in the premier national awards event for the community broadcasting sector.

I am also looking forward to the trivia night and catching up with some of our listeners, sponsors and volunteers. It should be a fun night. All the details are on Page 2.

That's all from me for now. Cheers!

**Steve 'Slabs' Halloran, President**

### REMINDER

---

*Subscriptions for 2013-14 are now overdue. Members should have received a renewal notice in July. If you didn't receive your renewal, please contact the station as soon as possible to arrange to renew your membership.*

---

### AGM

---

TYGA FM's Annual General Meeting will be held at Ptunarra Child and Family Centre, 52 Blair Street, New Norfolk on **Thursday 21 November 2013 at 6.00 pm**. All current financial members of the association have been sent meeting papers, and we look forward to seeing members at the meeting.

---

## TRIVIA NIGHT

---

If you're looking for a fun night out, why not join us for the TYGA FM trivia night?

The trivia night will be held on **Saturday 9 November 2013** at the New Norfolk Golf Club. The evening kicks off at 7.00 pm.

You could

- Win some great prizes
- Have your team's name on the Helen McDiarmid trophy
- Get bragging rights for the next 12 months

It's also an opportunity to put faces to some of the voices you hear on the radio.

Quizmaster Slabs has been burning the midnight oil to compile a new set of questions to test your knowledge – both general and musical.

Cost is \$10 per person.

You can book a table (8 people maximum) with [slabs989@gmail.com](mailto:slabs989@gmail.com) or by calling the Golf Club on 6261 2653, or you can turn up on the night and we will find you a team.

## PROGRAM SPOTLIGHT

---

### SLOW RIDE

TYGA FM provides a wide variety of programs covering almost all musical tastes and each issue of **TYGAbytes** will spotlight a different show.

This time it's **Slow Ride**, with Mark Corlett, which is broadcast on Sundays from 2.00 pm to 4.00 pm.

Slow Ride is a mix of blues/roots/instrumental music, with a healthy kick of rock. But don't worry: there's still howling guitar solos and killer riffs.

Mark with his attentive audience chilling in the back yard

Mark started at TYGA FM in December 2009 as a member of the duo that eventually became known as Slabs & Knackers on The Sunday Smorgasbord. This was originally a three-hour show but, after too many late nights at the studio, Mark decided to take a new direction. Slow Ride – which leans to the lighter side, to distinguish it from the Sunday Smorgasbord – began in April 2012.

Mark varies the music each week, and says that one of the exciting things about doing the show is searching for new and old (but new to him) music to share.

He says he has broad musical tastes, but right now he's listening to a lot of blues/roots and instrumental music to pick songs for each week's show.

Mark's inspiration for the show was a desire to share new music. He thinks the beauty of Community Radio is getting to hear different music, not just the top 40 – and he loves playing tracks longer than just the 3½ minute pop song.

Each week Mark plays some recently released Australian tracks and at least one great instrumental, and the show is packed with killer guitars.

Sunday afternoon is a great radio timeslot. It can be the wind-down after a big weekend, or out in the garden with the music cranking on a sunny day, or it can be the title of the show – getting on your bike with headphones on, going for a cruise up the Valley.

Mark says that he's an extreme air guitarist and air bassist, but is still working on his air drumming technique.

If you'd like to make a request, you can contact Slow Ride on Facebook [www.facebook.com/slowridetygafm](http://www.facebook.com/slowridetygafm) or on Twitter @tygafm\_slowride. You can also call Mark in the studio on 6261 2000 between 2.00 and 4.00pm on Sunday.

## JOIN TYGA FM

---

Do you enjoy listening to TYGA FM? Do you want to help make sure it continues to grow and serve the Derwent Valley and Central Highlands?

TYGA FM is always looking for volunteers to fill a range of off-air roles, as well as on-air presenters.

If you don't want to actively participate in the station's activities, you can still show your support by becoming a member of the association for only \$5 per year.

Please contact us on 6261 2888 or email [slabs989@gmail.com](mailto:slabs989@gmail.com) if you would like to join TYGA FM or become a volunteer with the station.

## CRACKING THE CODE

---

What you hear on community radio is governed by the Community Radio Codes of Practice.

The codes are available from the Community Broadcasting Association website, [www.cbaa.org.au](http://www.cbaa.org.au).

Each issue of **TYGAbytes** will provide information on one of these Codes.

In this issue we look at Code 5 (Australian Music).

The purpose of Code 5 is “to reflect the commitment of community radio stations to develop Australian music and provide opportunities for performers to have their work regularly broadcast”.

The code states that:

In selecting Australian music for broadcast in each month we will consider our community interest.

Of all music programming, we will broadcast at least 25 per cent of Australian music. (This is calculated as a percentage of all music played over a calendar month.)

The requirements do not include music used in sponsorship announcements, programs, or station promotions.

TYGA FM is strongly committed to playing Australian music and our Australian content well and truly exceeds the requirement of the code. We also have programs dedicated to showcasing Tasmanian artists.

*If you believe something you have heard on TYGA FM has breached one of the codes, you should contact the station in the first instance. We will investigate your concern and advise you of the result of the investigation.*
